

2ND INTERNATIONAL PLASTICS & RUBBER INDUSTRY EXHIBITION

11TH TO 13TH FEBRUARY 2014, OMAN INTERNATIONAL EXHIBITION CENTRE, MUSCAT, SULTANATE OF OMAN

OMAN BIG PLAYER IN THE PETROCHEMICALS INDUSTRY

Aiming for the best, an event first of its kind in Oman is planned purely on aggressive development on Plastics and petrochemical industry. OMAN PLAST will showcase the latest technology and machineries used in manufacturing of plastics and petrochemicals. It will be an ideal opportunity for Oman and neighbouring states (especially UAE, Iran, Saudi Arabia & Yemen) to source new technology and products. Petrochemical industry being one of the main components of Omani economy the event will give a great impetus to its further diversification and growth.

OMANPLAST is Oman's one of a kind Exhibition specifically targeting very precise & a potential audience that are concerned with the industrial development of Oman and the region. Plastic & Rubber are the main components of the industrial and manufacturing sectors that influence the economic development of any country. With OMANPLAST, we anticipate only hardcore industry professionals from the manufacturing sectors, oil & gas industry, trading and other related areas.

Further the attendees will be Government Officials and visitors from Oman and the GCC region. Beyond any doubt this event will generate potential trade deals and spearhead the development of the local industry with new technology information, new product line & agencies' representations.
